Holiday Fun

Cruising the Advance website, we found a great little article that we thought you would enjoy. The article is titled "The 12 Days of Christmas: HIM Style". It is a take-off, written by Cyndi Thomas, of the classic song we all know and love, and is sure to become an annual tradition. Here is an excerpt of Cyndi's article:

The 12 Days of Christmas: HIM Style

By Cyndi Thomas

On the first day of Christmas my director gave to me a partridge in a pear tree.

On the second day of Christmas my director gave to me Two ICD-9 books and a partridge in a pear tree.

On the third day of Christmas my director gave to me Three new grad coders, two ICD-9 books and a partridge in a pear tree.

On the fourth day of Christmas my director gave to me Four hours of meetings, three new grad coders, two ICD-9 books and a partridge in a pear tree.

On the fifth day of Christmas my director gave to me Five 3M encoders, 4 hours of meetings, three new grad coders, two ICD-9 books and a partridge in a pear tree.

On the sixth day of Christmas my director gave to me Six months to downsize, five 3M encoders, 4 hours of meetings, three new grad coders, two ICD-9 books and a partridge in a pear tree.

On the seventh day of Christmas my director gave to me

HITECH Fusion Voice Dictation Solutions

Fusion Voice Dictation Solutions are built on the latest security technology.

Encrypted audio and data files

Seven days of discharges, 6 months to downsize, five 3M encoders, 4 hours of meetings, three new grad coders, two ICD-9 books and a partridge in a pear tree.

On the eighth day of Christmas my director gave to me Eight suspended doctors, 7 days of discharges, 6 months to downsize, five 3M encoders, 4 hours of meetings, three new grad coders, two ICD-9 books and a partridge in a pear tree.

On the ninth day of Christmas my director gave to me Nine employees home sick, eight suspended doctors, 7 days of discharges, 6 months to downsize, five 3M encoders, 4 hours of meetings, three new grad coders, two ICD-9 books and a partridge in a pear tree.

On the 10th day of Christmas my director gave to me Ten hours of overtime, nine employees home sick, eight suspended doctors, 7 days of discharges, 6 months to downsize, five 3M encoders, 4 hours of meetings, three new grad coders, two ICD-9 books and a partridge in a pear tree.

On the 11th day of Christmas my director gave to me Eleven contract coders, 10 hours of overtime, nine employees home sick, eight suspended doctors, 7 days of discharges, 6 months to downsize, five 3M encoders, 4 hours of meetings, three new grad coders, two ICD-9 books and a partridge in a pear tree.

On the 12th day of Christmas my director gave to me Twelve system crashes, 11 contract coders, 10 hours of overtime, nine employees home sick, eight suspended doctors, 7 days of discharges, 6 months to downsize, five 3M encoders, 4 hours of meetings, three new grad coders, two ICD-9 books and a partridge in a pear tree.

Dear Director: Due to the circumstances beyond my control, I am unable to report to work. Feel free to contact me at Shady Grove Haven where I am now resting comfortably after my complete nervous breakdown. I wish you and your family a happy holiday season, and once my doctors allow me to handle sharp objects again, I am sure I will be writing a personal note of apology to the chief of staff. I honestly had no idea the bird had escaped from that beautiful gold cage. I sure hope that nasty bite doesn't leave a scar. Who knew partridges were carnivores. Oh, one last thing, if someone could water the pear tree until my return, I would appreciate it.

Most dictation systems utilize standard voice formats such as .wav files which are easily opened and replayed with virtually any media software. Older dictation systems rarely protect data via encryption, allowing dictation data to be easily breached. Fusion Voice encrypts all audio and data files while in transit and while stored on workstations with industry standard, private key encryption.

Digital vs. analog phone lines

Most dictation is still done over standard telephones and standard, analog (POTS) phone line service making eavesdropping very simple for anyone with just a little knowledge of electric circuits and a tape recorder.

Fusion Voice makes available T1/PRI digital circuits as well as packet secured VoIP which are not subject to the same, simple methods of hacking.

Fusion Forum 2010
User's Conference and Training Workshop

Every two years Dolbey has a User's Conference to provide training to existing users and potential customers on the entire Fusion Suite.

Why Attend?

- Hear straight from other customers how Fusion works for them.
- See how to better leverage your current workflow.
- Learn from people like you who are tackling similar challenges.
- Gain tips, tricks, and tools for the Fusion Suite™.
- Get updates on new features and software.

Please join us at the Dolbey User's Conference and Training Workshop being held at the Gaylord Palms in Orlando, FL, September 23-24, 2010.

Plan to stay at the Gaylord to attend AHIMA's annual Convention and Exhibit, September 25-30, 2010.

Dolbey Traveled to RSNA in Chicago!

Dolbey staff and Dealer sales representatives were in Chicago to provide demonstrations of Dolbey's latest innovation in Radiology Report turnaround. Fusion Expert® speech recognition with Fusion CAC™ computer-assisted coding provides the most unique and effective solution for Radiology workflow and productivity.

The accuracy of Fusion Expert's speech recognition engine provides fast results and ease-of-use for the dictating Physician. The accuracy of Fusion CAC increases the productivity of human coders by as much as 40%. With many types of reports, Fusion CAC is so highly accurate that reports can bypass human coding and go straight to billing. This process, called Coding Automation, will provide

SpeechMike line improves user experience by including new features such as a high-end microphone that is sensitive to background noise in the recording; an ergonomic design which reduces thumb movement and strain; a metallic slide switch button created to sustain more than one million movements to increase durability; and the ability to dictate wirelessly up to 33 feet away from your computer.
